JIM IRVINAZ CORP COMMISSION
DOCUMENT CONTROLPLEASE DO NOT BURDEN YT, SC,
& SCW WITH THE UNREASONABLE COST
OF THIS PIPELINE PROJECT.

Howard Weger

PORA BOARD,

We feel PORA is making a tremendous mistake in supporting CAP water for SCW.

There is no logical reason for SC and SCW to provide the major funding of this project which benefits all present and more importantly, future residents of the valley.

VOTE NO ON CAP WATER

A water district could be created to spread the costs over all the beneficiaries
